

# Kroger Community Rewards Program Info

Big changes have come to our Kroger Gift Card Program. The Kroger Company is proud to announce that **beginning May 1, 2009**, they will be launching the new Kroger Community Rewards Program and they are dedicating \$ 2,000,000.00 to it! The new program will replace the Kroger Cares Program that we previously participated in which dedicated \$ 1,000,000.00 to non-profit organizations.

**Beginning May 1, 2009 you will earn funds just by using your Kroger Plus Card, instead of having to purchase Kroger gift cards and have them recharged! This will make things much more convenient!**

**You must register your Kroger Plus Card on-line at the secure Kroger website, [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com). It will take 7 – 10 business days after you have registered your card before you begin receiving credit for your purchases. You will know you are officially registered when you see at the bottom of your Kroger receipt “At your request, Kroger is donating to Luke M. Powers Catholic High School”.**

**You must also register your Kroger Plus Card with Powers by filling out the Enrollment Form For Powers SCRIP, which is on the website, and return it to the Powers High School Business Office.**

After May 1, 2009 whenever a registered member makes a purchase at Kroger and uses their Kroger Plus Card, that purchase will be credited towards your tuition credits. In addition, once a household member registers, then all linked Kroger Plus Cards used by other family members at the same address also begin earning tuition credits.

If you have other friends and family donating to your family for tuition credits, make sure they are enrolled in our SCRIP program by filling out the Enrollment Forms that are available on the SCRIP Home Page. We want to make sure everyone gets the credits they are entitled to.

We Hope The Kroger Community Rewards Program Makes It More Convenient For You To Shop! It Continues To Be A Fantastic Way To Support Powers Catholic High School and Earn Tuition Credits All At The Same Time!
