

Is your child not feeling well?

Are they experiencing any **ONE** of the following?

- Fever (100.4 or higher)
- Uncontrolled Cough
- Shortness of Breath
- New loss of taste or smell
- Sore throat
- Muscle pain or body aches
- New onset of severe headache
- Diarrhea, vomiting, or abdominal pain
- Congestion or runny nose

Remember to use your child's baseline. We are looking for new or worsening symptoms

If **YES**- keep them home and contact their doctor!

If you answered **YES** to one or more symptoms, please keep child home until you speak with a doctor.

If the doctor provides your child with an alternate diagnosis and does NOT test for COVID, they can return to school following our regular sick guidelines (i.e. 24 hours fever free without the use of medication).

If the doctor tests for COVID, your child must stay home while awaiting results. *Please notify the school*

NEGATIVE: Ok to return to school when feeling better and 24 hours fever free without medication.

POSITIVE: Your child, family and close contacts must isolate/quarantine per CDC guidelines. *Please notify the school immediately.*
